# Development Permit Checklist

## Demolition

Applicants must check all necessary boxes, acknowledging that their application package contains all required information.  
**An incomplete application may result in processing delays and/or a permit refusal.**

### Development Permit Application Package Requirements

Site Plan

Disposal Plan

Safety Plan

Certificate of Title\* (<30 days)

*\*If the applicant is unable to obtain a Certificate of Title, the Town will acquire one for an additional fee of \$15.*

### Site Plan Components

1. Must be oriented with north at the top of the page and must contain a north arrow.
2. Must include in a text block on the site plan:
  - Property address
  - Size of lot in hectares/acres
  - # of structures on site
  - # of structures to be demolished
3. Must show site layout (and dimensions in metric or standard) which includes:
  - All property lines & adjacent streets/roads
  - All existing structures on the property with a clear indication of which will remain and which will be demolished.
  - Location of temporary fencing (the demolition site must be fenced during the demolition)
  - Staging area for demolition equipment and entry/exit points for equipment
  - Stockpile area of demolition debris and materials (if needed)

### Disposal Plan

Map of proposed route for transporting materials for disposal

OR

Written description of proposed route

### Safety Plan

Identification of risks (including but not limited to managing dispersion of dust and debris, fires and explosions, and personnel safety) and proposed mitigations associated with the demolition.

Description of any road closures required

Name and contact information of any contractors hired to complete the demolition

Name and contact information of on site supervisor(s)
